MEETING Wednesday 14th JUNE

Guest Speaker: Véronique Guilloteau from "BRAINFIT"

"How we can, with a healthy brain, have strategies for everyday life, regardless of age."

Members are welcome to bring a visitor to hear this speaker.

From the President,

Winter is upon us, and we are promised a cold but dry period, a change from rain and more rain. However, remember we are only 7 days away from the shortest day - our June 14th meeting date, so count down to a glorious summer that we missed in 22/23. My version of 'accentuate the positive and eliminate the negative and move on'.

Graeme, Jean, George, and Pieter represented our club at the Rebus NZ AGM. Graeme was honoured with Life Membership of the Society, congratulations Graeme. Jean edited the May Rebus Club News that I am now going to unashamedly semi plagiarize because I was impressed by what I read. I urge you to read the contribution from Taupo Moana Rebus Club in Rebus Club News, May edition.

Following the July meeting we are celebrating with our Mid-Year lunch at **Mainsail, Gulf Harbour**. This is an opportunity to socialise with new and old friends when you don't have to quickly finish your tea and move back to listen to the guest speaker. Booking is essential and payment must be made to the club bank a/c prior to the event. More details later in the newsletter.

The position of VICE PRESIDENT is still open. The ability to play Mah Jong is not a requirement for a position on the Committee. Finally, a reflection on various sources of information available today.

"Although most people avoid walking around in a borrowed hat or coat, they are only too happy to go around with borrowed opinions, which have been served up to them by journalists." Arthur Schopenhauer (1788-1860) German Philosopher

LAST MEETING: The Club Speaker was **Lynette Phillips** whose fascinating presentation had us glued to the screen as she took us with her on her visits to family in Aspen, Colorado. The colourful scenery was wonderful, but it was the interaction with the local bears that held us spellbound. Thankyou Lynette.

The Guest Speakers were **Karyn and Rod Klarwill**, residents of Gulf Harbour, who have compiled a detailed record of the development of the Gulf Harbour Marina. Karyn's presentation contained facts and figures and photographs of the entire development from the purchase of the land, and through the various stages – quite a history lesson for us locals.

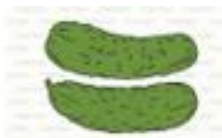

FUTURE EVENTS: The next Dine Out function will be in August.

MID WINTER LUNCH: "Mainsail", Gulf Harbour, **12.30 pm 12th July. \$42 pp.** Please indicate your **menu selection on the clipboard on Club Day** and make payment to the Club's Bank Account: **12-3084-0029743-00 by 1st July.**
